

STUDENT MINISTRY

God has a plan for this world; a plan that offers unconditional love, belonging and significance.

Our purpose in Student Ministries is to help students and their families discover this plan for their lives.

This season, in place of our weekly Youth bible study, we are joining with our congregation as they participate in Alpha training; (on Wednesday evenings 6-8 pm), in preparation to offer Alpha to our community in the New Year.

FNFN (Friday Night Fun Night) will occur twice a month, a time to have fun and do something out of the ordinary.
