

Bless the Lord O my soul. O Lord my God,  
you are very great- you are clothed with  
honor and majesty and wrapped in light  
like a garment. O Lord, how manifold are  
your works! In wisdom you have made  
them all; the earth is full of your creatures-  
we all look to you to give us our food in  
due season; when you open your hand, we  
are filled with good things. O Jesus, feed  
me today with the bread of life, feed me  
with yourself. Amen.
